

Shenandoah Valley Foster Care and Adoption

Want to know more? Join our next series!

Parent Resources for Information, Development, and Education (PRIDE) pre-service training gives the information you need to make an informed decision about whether fostering/adopting is the right choice for your family and provides the skills needed to work with children and families in the foster care system.

Virginia requires completion of pre-service training and assessment as a part of the approval process for all “resource parents” (foster, adoptive, respite, and formal kinship care). All adult household members must complete background checks. More information about the process, including checks and other health & home requirements, will be reviewed in our first training session.

REGISTRATION REQUIRED:

Contact Heather Hudnall at (540)245-5869 or heather.hudnall@dss.virginia.gov for information or to register.

Please register by March 15.

Spring Schedule, 2019

This series features in-person training as well as on-line learning between sessions:

- 1) March 28, 2019 (6 – 9pm): *Introduction to Modern Foster Care/Process and Requirements*
