Questions

A1.1 Question 1: The RFP states that there is a RFP deposit in the amount of 2% of the estimated total or a bidder's bond (p.8). Under the Proposal Guarantee (p.49) it states that all construction proposals shall be accompanied by a Proposal Bond or Certified Check in the amount of 5% of the amount of the proposal. Can you please clarify the amount of the proposal bond that is needed with the submission of the bids for this project?

Response: Please disregard the 2% estimated deposit on Page 8, Section G, #1. It is required that all construction proposals be accompanied by the 5% Performance Bond as stated on page 49.
